The *Islander* states that Dr. Jenkins, one of the Coroners for Queen's County, held an inquest on the body of Wm. Byer's (Black Bill's) wife, on Monday the 7th inst. It appears that she and her step-daughter, Sarah Godfrey, had an altercation some months ago, when Sarah shied a brick at the step-mother's head, and so well directed was the blow, that the latter never recovered from its effects. She sunk into a lethargic state from which death only relieved her on the 4th inst. The jury, having heard the evidence adduced, and the opinions of medical men, returned a verdict that "the deceased Mary Byers came to her death from a blow of some blunt instrument inflicted by Sarah Godfrey, under great provocation." A warrant of commitment, on a charge of wilful murder, was thereupon issued by the Coroner: but up to the present time, the accused has succeeded in evading the officers of the law.

A man named Norman Beaton, of Sparrow's Road, committed suicide last week by cutting his throat. When found, he was quite dead. We were well acquainted with Mr. Beaton, and always regarded him as a good, modest and honest man. He was about 54 years of age, and unmarried. We have heard no cause assigned for the rash deed. – *Argus*.
